The Alabama Securities Commission ("Commission"), having the authority to administer and provide for the enforcement of all provisions of Title 8, Chapter 6, Code of Alabama 1975, the Alabama Securities Act ("Act"), upon due consideration of the subject matter hereof, has determined as follows:

STATEMENT OF FACTS

3. On or about October 25, 2018, Commission staff received a complaint from an Alabama resident who stated that they had previously invested with POTPONS. The Alabama resident added that REEVES, during a phone conversation, offered to sell a quantity of POTPONS Coins and represented the purchase should be made soon as the value was about to "go up".

4. According to the Alabama resident, REEVES represented that the value of the coins would go up in the future thus providing an investment opportunity in addition to the
opportunity to utilize the POTPONS Coins as a utility token to make purchases of Marijuana from participating merchants.

5. According to the Alabama resident, REEVES represented the success of the POTPONS venture would be based on the construction of a mobile application and the coins being listed on various coin exchanges. The Alabama resident advised that neither the coins nor the application were ever created.

6. A review of the website www.potpions.com, revealed that it was accessible to Alabama residents and was actively offering the sale of the POTPONS Coins.

7. According to the POTPONS website, “POTPONS offers a safe and easy to use alternative to cash, complying with individual state MJ banking regulations, for the legal marijuana industry, by providing both consumers and merchants internal access to its proprietary merchant processing system.”

8. The POTPONS website further promoted; “Starting June 29, 2018, for a period not to surpass 90 days, POTPONS is presenting to accredited investors "ONLY" a private placement memorandum pursuant to Rule 506(c) of Regulation D of the Securities Act of 1933; as amended. ”

9. According to the POTPONS White Paper; “POTPONS Coins May Be A Security. POTPONS user acknowledges, understands, and agrees that if POTPONS is to be deemed a "security" by the SEC, then the Issuer will take the appropriate steps working directly with the SEC for the conversion of the POTPONS virtual currency from a ‘product” status to a “security” status.”

10. On January 25, 2019, a review of the registration files of the Alabama Securities Commission revealed no record of registration, nor any perfected exemption from registration for the securities offered and sold by POTPONS. In addition, the RESPONDENTS were neither registered to offer or sell securities in Alabama, nor exempt from registration.

11. A January 25, 2019, review of Arkansas Secretary of State online database revealed POTPONS as a registered for-profit corporation, which was organized by REEVES on December 18, 2017. The corporation’s current status is “Not Current.”
12. A corporation search of the Alabama Secretary of State’s online website revealed no registration for POTPONS as a business entity or a foreign corporation to do business in the State of Alabama.

CONCLUSIONS OF LAW

13. Pursuant to Section 8-6-2(10), Code of Alabama 1975, the definition of “security” includes investment contracts and profit-sharing agreements. RESPONDENTS’ software development investment plans require investors to invest money into the common investment plan in order to pool their investments with other investors. Investors share and expect a profit, as represented by RESPONDENTS, and the profit is derived from the managerial efforts of RESPONDENTS. Therefore, RESPONDENTS’ software development plans constitute investment contracts and profit sharing agreements and are “securities” as defined by the Act.

14. Pursuant to Section 8-6-4, Code of Alabama 1975, it is unlawful for any person to offer or sell any security in this state unless it is registered or exempt from registration under Section 8-6-10; or the transaction is exempt under Section 8-6-11. The securities, i.e. the investment contracts and/or profit sharing agreements offered and sold by RESPONDENTS were neither registered nor subject to a perfected exception from registration in Alabama at the time of solicitation or sale and were offered and sold in violation of the Act.

15. Pursuant to Section 8-6-2(5), Code of Alabama 1975, the definition of an “issuer” includes every person who proposes to issue or has issued any security. RESPONDENTS, by issuing securities, to wit: investment contracts and/or profit sharing agreements, is an “issuer” as defined by the Act.

16. Pursuant to Section 8-6-17(a)(2), Code of Alabama 1975, it is unlawful for a person, in connection with the offer, sale, or purchase of a security, to make or omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they are made, not misleading. RESPONDENTS failed to disclose that the investments offered and sold by RESPONDENTS were securities, which required registration in the state of Alabama, a material omission, in violation of the Act.

This Order does not prevent the Commission from seeking such other civil or criminal remedies that are available to it under the Act.
This Order is appropriate in the public interest for the protection of investors and is consistent with the purposes of the Act.

Additionally, if the allegations set forth herein are found to be true, through either administrative adjudication, failure of the RESPONDENTS to make a timely request for hearing, or default of the RESPONDENTS, it is the intention of the Commission to impose sanctions upon the RESPONDENTS. Such sanctions may include, inter alia, an administrative assessment imposed on RESPONDENTS, an additional administrative assessment for investigative costs arising from the investigation of the violation(s) described herein against RESPONDENTS, and a permanent order to bar RESPONDENTS from participation in any securities related industry in the state of Alabama.

ACCORDINGLY, IT IS HEREBY ORDERED that RESPONDENTS immediately CEASE AND DESIST from further offers or sales of any security into, within or from the state of Alabama.

Entered at Montgomery, Alabama, this 25th day of February 2019.
